

## Deputy Manager | PolkaDots Nursery Cresswood Hall

PolkaDots is an independent, family run nursery with two settings in northwest London (NW5). Providing a safe and caring environment for all our children in a setting that's friendly and fun, our motto is to educate, nurture and inspire children to learn through play. Whatever their individual needs, we ensure every child at PolkaDots has full access to the EYFS curriculum and beyond – with Music and Makaton sessions as well as Dance and Yoga classes with professional instructors.

We're looking for a Deputy Manager to join our community at our Cresswood Hall Nursery. Our nursery is open during term-time (38 weeks per year) to children aged 2 to 5 years-old. We operate school hours for our children and our Deputy Manager can expect to be on site 8:30am – 3:30pm Monday to Thursday and 8:30am - 2pm on Fridays.

We want to appoint a highly motivated and enthusiastic Deputy Manager who will be able to deliver excellent standards of care and education for our children. The successful candidate will love working with children while also having an excellent understanding of child development.

As a small nursery, relationships are key to who we are. Our staff team is our greatest strength and most valuable asset. Because we recognise this, we continually invest in them and offer training and other opportunities to develop professionally. This includes Makaton training from a Regional Makaton tutor, professional development led by Camden's Education and Wellbeing teams and continuous internal training, for example in areas such as safeguarding and technology use.

This role will suit someone who wants to be at the heart of a caring team, who wants to continue to develop professionally, and who takes pride in caring for young children to help them grow.

If you'd like to be part of our PolkaDots team, we'd love to hear from you.

Please contact us directly for a full job description with a complete list of duties
